www.coreycodes.com

Summary

I have many skills but I focus on web design and development. Its very important to stay on top and implement new front end development techniques as these give us much more control and art direction of websites. I am also very handy with Google, everything is on there!

Skills

HTML5	MOTION GRAPHICS
CSS3	JQUERY
RESPONSIVE DESIGN	JAVASCRIPT
WORDPRESS	ADOBE CC
VIDEO EDITING	PHOTOGRAPHY
MAGENTO	SHOPIFY
